

Ifara Software End User License Agreement

IFARA TECNOLOGIAS, S.L. IS WILLING TO LICENSE THE ACCOMPANYING SOFTWARE TO YOU ONLY UPON THE CONDITION THAT YOU ACCEPT ALL OF THE TERMS CONTAINED IN THIS LICENSE AGREEMENT AND ANY SUPPLEMENTARY OR UNIQUE LICENSE TERMS INCLUDED HEREWITH ("AGREEMENT").

READ THE TERMS AND CONDITIONS OF THIS AGREEMENT CAREFULLY BEFORE DOWNLOADING, INSTALLING OR USING THE SOFTWARE. BY DOWNLOADING OR INSTALLING THE SOFTWARE, OR USING THE EQUIPMENT THAT CONTAINS THIS SOFTWARE YOU ARE CONSENTING TO BE BOUND BY ALL THE TERMS OF THIS LICENSE AGREEMENT.

YOUR USE OF THE SOFTWARE INDICATES YOUR ASSENT TO BE BOUND BY THE LICENSE TERMS SET FORTH BELOW.

This Ifara Tecnologias, S.L. ("Ifara") Software End User License Agreement accompanies any Ifara Software Product and related explanatory materials ("Software"). The term "Software" shall also include any upgrades, components, modified versions or updates of the Software licensed to you by Ifara.

Ifara or the Ifara subsidiary or distributor licensing your Ifara Software, if sale is not directly done by Ifara, and its suppliers grants to you a non-exclusive limited license to use "the Software", provided that you agree to the following:

1. USE OF THE SOFTWARE

You may install the Software associated to this Agreement in a single computer, such as a workstation, terminal, embedded platform or other device ("Computer"), on a single hard disk or other storage device and make backup copies of the Software.

Some functionalities, modules or options of the Software may require you to install software license strings generated at Ifara or use hardware licenses in key dongles or similar copy protection hardware on your Computer. You can obtain or activate these licenses for the Software through the use of the Internet or from your Distributor. You may also need to reactivate this license for the Software if you modify your computer hardware or update the Software. There are technological measures in the Software that are designed to prevent unlicensed or illegal use of the Software. You agree that we may use those measures.

You may also store or install a copy of the Software on a storage device, such as a network server, used only to install or run the Software on your other Computers over an internal network; however, an additional license shall apply for each of these separate Computers on which the Software is installed, used, accessed, displayed or run. A license for the Software may not be shared or used concurrently on different Computers.

Some of Ifara's software Products are redistributable components that explicitly state in their associated documentation that they do not require a software runtime license file or hardware key. These cases shall include but are not limited to some Software Developer's Kits and Libraries and basic versions of graphical user interfaces that are used to give access to other Ifara software. For these specific components you may make unlimited copies of the Software and give copies to other persons or entities, including downloading

the Software from the Internet or similar on-line source, so long as all such copies contain this Agreement and the same copyright and other proprietary notices that appear on or in the Software.

You may only use this Software in the context of sensor networks, for the sole purpose of discovery, operation or administration of sensors or devices controlled by Ifara software.

This Agreement applies to modules, updates, supplements or add-on components of the Software that Ifara or any of its distributors may provide to you or make available to you after the date you obtain your initial copy of the Software.

2. COPYRIGHT / PROPRIETARY RIGHTS

The Software and any copies that you make are owned by Ifara. The Software is also protected by the Spanish Copyright Laws and European Union and other International Treaty provisions. You must treat the Software just as you would treat any other copyrighted material. You may not copy the Software, except as set forth in the "Use of the Software" section. Any copies that you are permitted to make pursuant to this Agreement must contain the same copyright and other proprietary notices that appear on or in the Software. You agree not to modify, adapt or translate the Software. You also agree not to reverse engineer, de-compile, disassemble or otherwise attempt to discover the source code of the Software.

Trademarks shall be used in accordance with accepted trademark practice, including identification of trademark owners' names. Trademarks can only be used to identify printed output produced by the Software and such use does not give you any rights of ownership in that trademark. Except as stated above, this Agreement does not grant you any intellectual property rights in the Software. This Agreement provides the terms and conditions under which you are licensed to use the Software. It is not an agreement for the sale of the Software to you.

You understand and acknowledge that this Agreement provides for the copying and distribution of the Software in its entirety and does not allow for partial distribution of any of the components (libraries, filters or other files) that make up the Software. Creating derivatives of the Software is strictly prohibited. Redistribution of: (i) the Software that is integrated with other technology as a component or standalone product and does not provide end user access to the complete Software install process; (ii) incomplete, modified, reverse engineered, or otherwise altered copies of the Software or any of its components, is not permitted and will result in termination of this Agreement.

COPYING THE SOFTWARE EXCEPT AS PERMITTED BY THIS END USER LICENSE AGREEMENT IS COPYRIGHT INFRINGEMENT UNDER THE LAWS OF YOUR COUNTRY. IF YOU COPY THE SOFTWARE IN VIOLATION OF THIS END USER LICENSE AGREEMENT THEN YOU ARE VIOLATING THE LAW. YOU MAY BE LIABLE TO IFARA FOR DAMAGES AND YOU MAY BE SUBJECT TO CRIMINAL PENALTIES.

3. NO WARRANTY

The Software is provided to you "AS IS," and you acknowledge that it may contain errors. Ifara disclaims any warranty or liability obligations to you of any kind. IFARA AND ITS SUPPLIERS DO NOT AND CANNOT WARRANT THE PERFORMANCE OR RESULTS YOU MAY OBTAIN BY USING THE SOFTWARE OR DOCUMENTATION. IFARA AND

ITS SUPPLIERS MAKE NO WARRANTIES, EXPRESS OR IMPLIED, AS TO NONINFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE. IN NO EVENT WILL IFARA OR ITS SUPPLIERS BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES, INCLUDING ANY LOST PROFITS OR LOST SAVINGS, EVEN IF IFARA OR AN IFARA REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM BY ANY THIRD PARTY.

Some states or jurisdictions do not allow the exclusion or limitation of incidental, consequential or special damages, or the exclusion of implied warranties or limitations on how long an implied warranty may last, so the above limitations may not apply to you.

4. DISCLAIMER

THIS SOFTWARE CONTAINS A SET OF TOOLS INTENDED TO BE USED BY TRAINED PROFESSIONALS ONLY. THEY ARE NOT SUBSTITUTES FOR YOUR PROFESSIONAL JUDGMENT. SOFTWARE TOOLS AND APPLICATIONS ARE INTENDED TO ASSIST WITH HUMAN TASKS AND ARE NOT SUBSTITUTES FOR INDEPENDENT HUMAN ACTION, SAFETY AND UTILITY. DUE TO THE LARGE VARIETY OF POTENTIAL APPLICATIONS FOR THE SOFTWARE, THE SOFTWARE HAS NOT BEEN TESTED IN ALL SITUATIONS UNDER WHICH IT MAY BE USED. IFARA SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER FOR THE RESULTS OBTAINED THROUGH THE USE OF THE SOFTWARE. PERSONS USING THE SOFTWARE ARE RESPONSIBLE FOR THE SUPERVISION, MANAGEMENT AND CONTROL OF THE SOFTWARE AND ANY SENSORS OR DEVICES CONTROLLED BY IT. THIS RESPONSIBILITY INCLUDES, BUT IS NOT LIMITED TO, THE DETERMINATION OF APPROPRIATE USES FOR THE SOFTWARE AND THE SELECTION OF THE SOFTWARE AND SENSORS OR DEVICES TO ACHIEVE INTENDED RESULTS.

5. LIMITATION OF LIABILITY

IN NO EVENT WILL IFARA BE LIABLE FOR ANY LOSS OR DAMAGES OF ANY KIND, INCLUDING LOSS OF DATA, LOST PROFITS, COST OF COVER OR OTHER SPECIAL, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE OR DOCUMENTATION, HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY. THIS LIMITATION WILL APPLY EVEN IF IFARA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE.

6. GOVERNING LAW AND GENERAL PROVISIONS.

This Agreement will be governed by the laws of Spain, under the European Union directives, excluding the application of its conflicts of law rules. If any part of this Agreement is found void and unenforceable, it will not affect the validity of the balance of the Agreement, which shall remain valid and enforceable according to its terms. You agree that the Software will not be shipped, transferred or exported into any country or used in any manner prohibited by the United States or European Union Export Administrations or any other applicable export control law, restriction or regulation. This Agreement shall automatically terminate upon failure by you to comply with its terms. This Agreement may only be modified in writing signed by an authorized officer of Ifara.
